## Apartment Antibes

In the old town of Antibes, a charming two-room apartment with a surface area of 53 m<sup>2</sup> is available for rent for the month of August; Located on the second floor of a three-story bourgeois residence, disappointed in the Provençal market. The American-style kitchen is already fitted out for your comfort. The apartment has a bedroom and a shower room. It is ideally located for your stay in Antibes. Real estate in Antibes (06600) has a lot to offer, particularly if you are looking for a 2-room apartment. Its main strong point is undoubtedly its exceptional location: between Nice and Cannes, on the edge of the Mediterranean Sea, Antibes has the advantage of benefiting from a mild and sunny climate. The residences often have breathtaking views of the sea or Fort Carré. Furthermore, the city has a rich historical and cultural heritage, with numerous museums, the famous Vauban port, beaches and quality shops, which appeals to both locals and tourists. Finally, the combination of old stones and the modern comfort of the apartments for sale makes the Antibes real estate market particularly attractive.
